**THANK
YOU!**

Each year, **Trinity Kids** has a special connection to El Salvador through **Jorge**, the **Seeds of Hope student** supported by their offering. Jorge is currently in high school, where his annual education costs \$400.

This year, there's a simple goal: if each registered *Trinity Kids* family gives just **\$10 during the program year**, together they can fully fund **Jorge's education**—with money left to share with another organization serving kids closer to home.

Through their **Trinity Kids Offering**, children get to practice generosity while helping another young person continue his education and work toward a brighter future.

\$10 FROM EACH TRINITY KIDS FAMILY
= \$400 JORGE'S EDUCATION
FOR ONE YEAR

A fun ministry for 4th and 5th grade kids to grow in faith and relationship with one another. Some of the things we will do are devotionals, games, crafts/activities, a Bible lesson and connecting with friends.
